

# IOWA REGISTERED CHAMPIONSHIP RACES

October 1<sup>st</sup> & 2<sup>nd</sup>, 2022

All horses entered will be assigned to the championship, consolation, or C class races based on points and the tie breaker rules. Horses must have raced in at least one A class in 2022 to be eligible for the championship or consolation races. C class races will be split by overnight conditions. No claiming on C class races. All horses entered will be able to race.

Also, if there is only 1 horse for the consolation race, it will still be considered a race. There will be no minimum number of horses. Anything from 1 to 5 horses in the consolation races will be allowed.

The top 10 point winners that enter for the weekend of Oct 1<sup>st</sup> and 2<sup>nd</sup>, 2022 will be split into classes as follows:

2 YO filly trot    2 YO colt trot    2 YO filly pace    2 YO colt pace

3 YO filly trot    3 YO colt trot    3 YO filly pace    3 YO colt pace

Points are calculated using the Iowa Registered points system. A horse must be entered in a Featured Iowa Registered race (an "A" race) in 2022 in order to be eligible for the Championship or Consolation races.

A tie in points standing will be resolved by the following criteria:

1. Most starts in Iowa in 2022
2. Most earnings in Iowa in 2022
3. Flip a coin.

If (1) does not split the tie, then (2). If tie remains after (2), then (3).
